## **Tasting Room Positions available at Billsboro Winery**

### **Starting Weekends May 2016**

Billsboro Winery is seeking an enthusiastic and hard-working Tasting Room Sales Associate to help oversee the front of the house operations at the winery during weekends starting this May, evenings during special events, and weekday/weekend through the busy season (May-October). All applicants must be available through the whole of October as fall is the industry's busiest period. Because we are a small family run operation at Billsboro, it is important to us that we can depend upon our employees. We are requesting candidates have at least 1-year experience in wine sales, hospitality, and/or the customer service industry. Strong communication skills; a proactive, outgoing personality; and general "people skills" are key functions for the job. Those with previous sales backgrounds and a serious interest in exploring a career in the wine industry will be strongly considered.

- Must be 21 or older
- Interacting with small and large groups of customers and managing traffic flow in the winery
- Ability to multi-task in a fast paced environment
- Exploring new ways to drive sales
- Operating a POS system
- Handling tasting room organization, signage, displays, and general cleanliness
- Must be responsible, flexible, energetic, ambitious, willing to jump into any project or task
- Lift 40+ pounds and have reliable transportation
- 15-25+ hours per week during Summer/Fall (weekends are mandatory)
- Passion for wine and the Finger Lakes Region

This is an hourly position. Applications will be reviewed and if you qualify, we will reach out to schedule an interview along with professional and character references. Thank you!
