FOR IMMEDIATE RELEASE

### **Billsboro Winery Release their First Sparkling Wine** *2015 Mousseux*

GENEVA, NY –Billsboro Winery is excited to announce the release of their first sparkling wine, the 2015 Mousseux. This sparkling dry Riesling pops with aromas of lime and bright citrus, followed by a surprising burst of black cherry and nectarine across the palate. Brilliant acidity and intense fruit flavors follow right through to the finish.

Asked about the decision to create the new wine, winemaker/owner Vinny Aliperti replied, "Given the fact that most wine drinkers share a love for bubbles, especially Kim, we set out to create a 'vin mousseux' or sparkling wine from the beloved Riesling grape." Aliperti's inspiration for the 2015 Mousseux came from the Atwater Bubble, a popular carbonated Riesling he makes for Atwater Estate Winery.

Not just for special occasions, sparkling wines pair with almost anything, from seafood, to cheese, entrée or dessert. These wines can be enjoyed on their own, sipped by the glass or mixed into a number of seasonal cocktails.

The 2015 Mousseux is available for purchase through the website, [www.billsborowinery.com](http://www.billsborowinery.com) or in either of the two Billsboro Winery tasting rooms.

In 2007, Vinny and Kim Aliperti embarked on a quest to create dynamic wines from grapes sourced from the southeastern slopes of Seneca Lake. Focusing on dry vinifera varieties, Billsboro strives to produce balanced and distinctive wines that reflect the character of the Finger Lakes and the personality of the vintage.

Billsboro Winery is conveniently located along Route 14 along the Seneca Lake wine trail, just 5 miles south of Geneva, NY at 4760 West Lake Road, or on the grounds of the historic Rose Hill Mansion, 3365 Rte 96A, in Waterloo. Daily, 11-5pm.
